Dear Parent/Guardian,

The worldwide concern for safety, protection and prevention against Corona Virus Covid-19, continues to prevail. Social distancing is the need of the hour. Together we have to ensure health and well-being of our children.

Under such circumstances and the country wide lockdown being extended, the school remains closed till further notice. However we will remain connected with your ward and continue with the online teaching classes.

Any further information regarding reopening of the school will be intimated to you.

Yours truly,

Principal
