

Ashok Hall Girls' Residential School

Late G. D. Birla

Krishnam Vande Jagad Gurum

Remember, doing just our duty is not enough. It should be accompanied by a mind with no selfishness. The periphery which restricts Karma is clearly defined Action which is performed according to these rules can be considered as Yajna. The rest is wrong action.

**Late B. K. Birla and
Late Sarala Birla**

Genesis

Education has always been one of the main thrust areas of the illustrious Birla family and their contribution to this field has been significant. With an aim to impart the best of western education combined with the highest ideals of Indian philosophy, a group of Schools was started in Kolkata by Late B.K. Birla and his wife Late Sarala Birla, with focus on the education of the girl child.

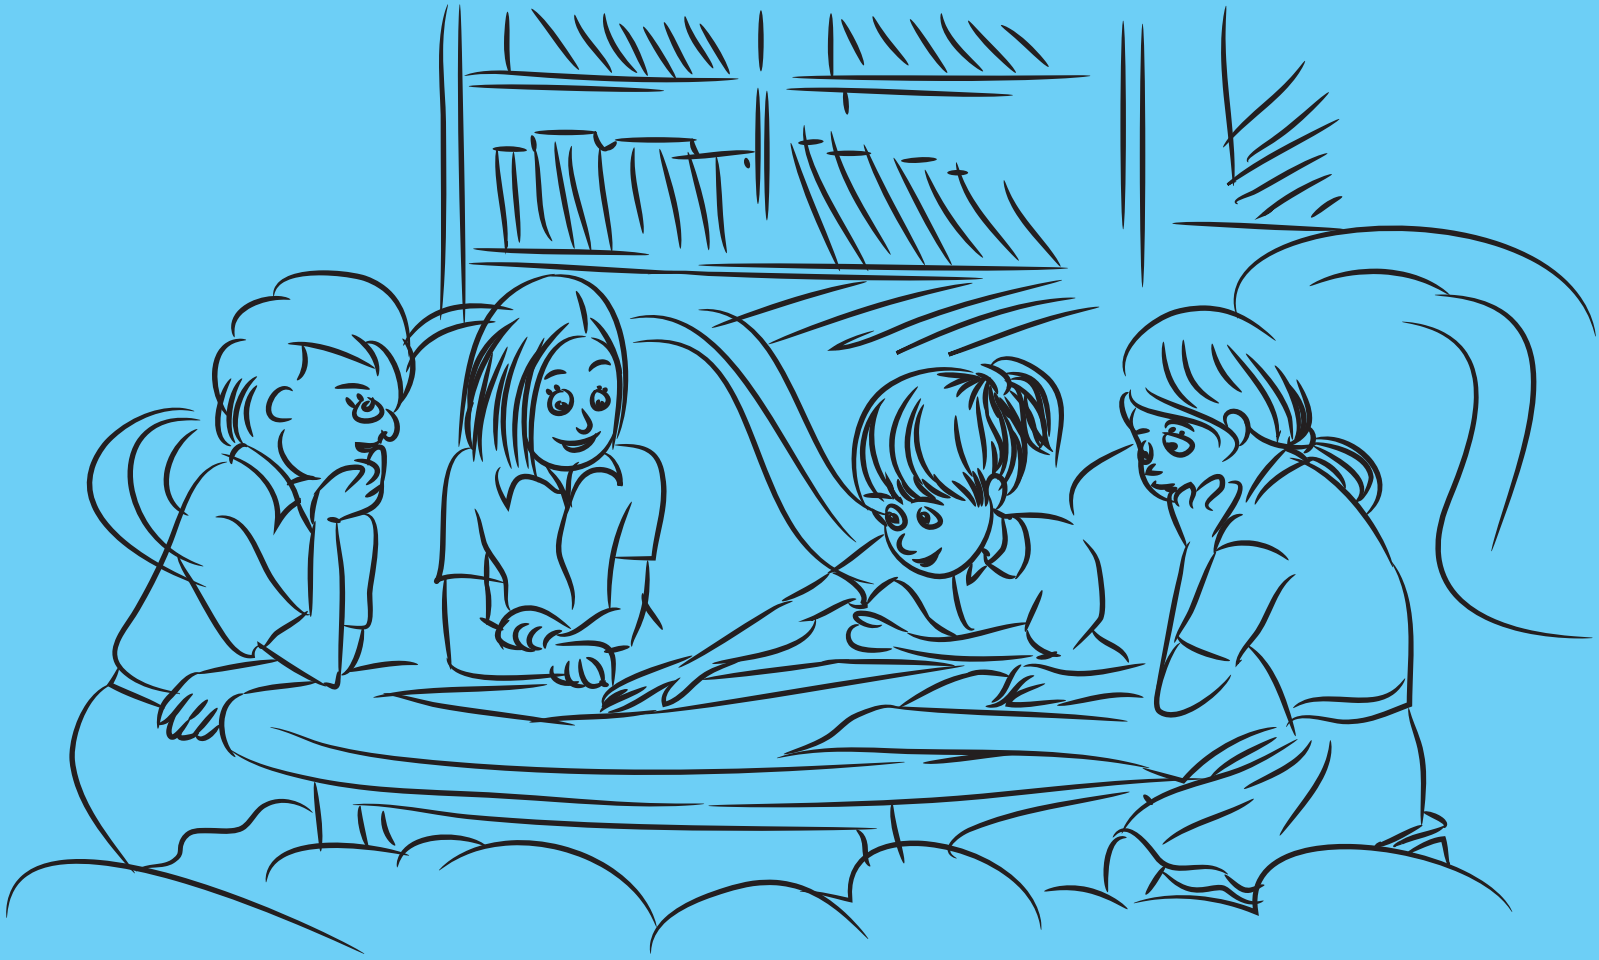

YOUR CHILD MATTERS TO US

Ashok Hall Group Of Schools

Ashok Hall Group of Schools comprises seven schools in Kolkata and its vicinity. In addition there are three schools in the lap of the Himalayas in Uttarakhand.

A child-oriented method of education is followed with attention on individual potential. A team of dedicated teachers, a balanced combination of curricular and co-curricular activities contribute to the making of well-rounded individual in sync with the changing world. Based on a strong foundation of traditional values integrated with modern teaching methods, the Ashok Hall Group of Schools provides a conducive environment for each students to flourish. The schools have created a rich legacy of academic and co-curricular achievements.

Inspiring Vision

Ashok Hall Girls' Residential School, Majkhali, Almora (Uttarakhand) was founded by Late B. K. Birla and Late Sarala Birla on June 6, 1993. The Birla family has been associated with excellence in education for more than 70 years.

Motto: Lead us from Darkness to Light

Vision: To nurture and empower girls to become global citizens.

Mission: To create learning opportunities in a congenial environment.

The Campus

Spread over 27 acres of land in the serene and snow-clad panoramic Himalayas in the background, the school is an idyllic abode for all-round development of young minds.

About Us

The school comprising classes IV to XII, is affiliated to the Council for Indian School Certificate Examinations (CISCE), New Delhi.

The school is also a member of the Indian Public Schools' Conference (IPSC), IAYP (International Award for Young People) and Trinity College, London, for music.

The school is ISO 9001:2015 (Quality Management System) and 14001: 2015 (Environmental Management System) certified for excellence in quality and environmental management.

Holistic Development

Ashok Hall Girls' Residential School offers a comprehensive learning programme that goes beyond the confines of the classroom. The nurturing environment and the dedicated faculty contribute in shaping the future of the students, equipping them with the skills and values needed to succeed in various aspects of life.

As a residential school, Ashok Hall provides a safe and supportive living environment for its students. This setup encourages a strong sense of camaraderie, fosters cultural diversity and promotes personal responsibility.

The school aims to create a supportive community that encourages girls to explore their potential and pursue their passions with confidence.

Academics

The medium of instruction is English. Students of classes IV to X are required to study two languages-English and Hindi. Sanskrit and German are taught in the middle school as additional languages.

Modern audio-visual teaching aids are used to make learning interesting.

Happy to be Here

The sprawling campus of the school blends with its natural surroundings. In the midst of such serene and tranquil surroundings, students live, learn, explore and create memories for a lifetime.

Dormitory:

The school boasts of comfortable residential facilities for 600 students, comprising three boarding houses with in-built amenities, keeping in mind both individual and collective needs. Students enjoy privacy, as well as a large common space to relax in.

Infirmary:

An on-campus infirmary provides 24-hour services, a resident nurse and visiting doctor, ensure prompt medical care. For advanced medical assistance, the school has tie-ups with neighbouring hospitals and nursing homes. Health records of students are maintained and parents are requested to keep the school authorities informed of specific medical requirements.

A qualified counsellor deals with the emotional and psychological well-being of our students.

Dining Hall:

A spacious, well-lit and hygienic dining facility provides a high standard of vegetarian cuisine. Special dietary needs are also taken care of. An in-house bakery provides bread, cookies and cakes.

Library:

School has a vast library with more than thirty thousand books and hundreds of kindles, consisting of all genres and themes, accessible to students for their mental growth.

Computer Laboratory:

The school has an expansive Computer Laboratory along with Audio Visual Room.

Science Laboratory:

Physics, Chemistry and Biology laboratories are extensively used to enhance the students' knowledge.

Campus Celebrations

Festivals of all kinds are celebrated on campus with a view to instill respect for various cultures and appreciating diversity.
